

Turnitin Check

Dear Scholars/Authors/Professors,

Plagiarism 'Turnitin'

We offers Plagiarism Checking Service using a 'Turnitin' tool. Turnitin is leading originality checking and plagiarism prevention web tool which allows researchers to compare their contents against the massive databases to ensure the work is original before submission. To get the plagiarism checking done and have the similarity report generated, please write to us at kumar@araa.co.in along a soft copy of the document (ie. thesis, dissertation, manuscript of article, assignment etc.) to be checked in PDF, DOCX file format

Report delivery within 24 hr

Before submit your paper's to publishers / journals, do check your paper in "Turnitin" (Plagiarism check), All publishers accepted Plagiarism report.

How does the Plagiarism Check service work?
